## WORK EXPERIENCE

### Systems Manager

*Business Education Examination Council, Lekki - Lagos*

- Successfully oversaw the migration from a traditional on-premises network to a hybrid cloud-based network, resulting in increased scalability and cost savings.
- Implemented a proactive server monitoring system, reducing downtime by 20% through early issue detection and resolution.
- Strengthened the organization's cybersecurity posture by implementing multi-factor authentication (MFA), intrusion detection systems, and regular vulnerability assessments.
- Implemented a disaster recovery plan in the cloud, ensuring business continuity in case of hardware failures or disasters.
- Oversaw the deployment of a new software-defined networking (SDN) solution, resulting in improved network agility and reduced operational complexities.

### Web developer/designer

*Business Education Examination Council, Lekki - Lagos January*

**2020 – December 2022**

- Conduct thorough research and analysis to gather insights into client requirements and industry trends.
- Provide informed recommendations based on research findings to guide clients in decision-making processes.
- Offer ongoing technical support to clients, addressing issues promptly and ensuring optimal system performance.
- Provide troubleshooting assistance to resolve technical challenges and enhance the overall user experience.

## VOLUNTEER AND LEADERSHIP ACTIVITIES

### Volunteer

*Social Welfare/ Charity group Lekki - Lagos April 2021– February 2022*

- Helped to renovate correctional facilities and distributed supplies to inmates.
- Recommended measures and devices designed to eliminate and minimize road accidents to motorists.

- Assisted in educating rural communities on the importance of female education.
